

A Fully Licensed Mobile Bar Tariff 2015

We can provide a licensed bar to your event. At your occasion do you need to keep your guests refreshed with drinks and alcohol? Some venues will have a bar on site but in many situations you will need to hire a mobile bar.

One of the best things about a mobile bar is the flexibility it can provide you with and we can provide drinks of your preference.

Mobile bars for hire can be set up at your occasion. They can even be set up in addition to a venue's existing bar – to add extra options for your guests.

Price: £140.00 payable at time of booking.

This includes:

Fully stocked bar with a wide variety of products

Fully trained Bar Staff
